Dear Mr. Petersson,

Colombia participated in the RS:X World Championship in Auckland – New Zealand in January 2008, and we were close to obtain the classification for The Olympics Games in Beijing 2008.

Actually Colombia does not have any classification Athlete for this Games.

However, The Colombian Olympic Committee wants to accept the Unused Quota Place – UQP in RS:X Men Windsurf Class and have the possibility to participated in The Olympics Games in Beijing 2008.

With Kindest regards,
